---

- A service lateral repairs permit fee of \$50.00 must accompany this application and all work must be inspected by a Jamestown Water Department authorized person before backfilling is performed.
- The availability fee of \$3,000.00 for each water connection and \$3,000.00 for each wastewater connection must accompany this application. All taps are made under the supervision of a Jamestown Water Department authorized person. After the tap is made, you will receive an invoice for all other expenses (meter pit, meter, labor, etc.).

Please make checks payable to The Village of Jamestown. The application will be reviewed by the Village Administrator for approval.
