The period of denial shall be five years after the date the order is issued, unless, during that five-year period, the court with jurisdiction of the offense that resulted in the order terminates the forfeiture and notifies the Registrar of the termination. A person's failure to furnish satisfactory evidence that the person is licensed under Ohio R.C. The period of registration denial shall be five years after the date of the order, unless, during that period, the court having jurisdiction of the offense that lead to the order terminates the forfeiture and notifies the Registrar of the termination.
